# **YOUR QUESTIONS ANSWERED**

## **WHAT IF I MOVE HOME?**

If necessary, your plan can be transferred to an Independent Funeral Director in that area. As funeral costs may vary, you will be advised of any difference in cost at that stage.

## **WHAT IF I CHANGE MY MIND?**

If you cancel your plan within the first month of you receiving your plan documentation you can return them for a full refund, no questions asked. After this time, your plan will be subject to an administration charge.

## **HOW DO I KNOW MY PLAN WILL BE SAFE?**

All payments are made directly to the Funeral Planning Company, a national fund established in 1995 for the secure deposit of funeral pre-payments. The Trust's accounts are monitored by independent actuaries and checked by independent auditors.

## **CAN I PAY BY INSTALMENTS?**

Yes. Please ask for details. Payments by instalments will cost more than a single payment because of the additional administration involved. Should anything happen to you before completing all of the instalments payments, the funeral costs will not be redeemed fully, but in proportion to the payments made.

## **WHAT IF THE COST OF FUNERALS INCREASES?**

Due to inflation, the funeral costs will certainly increase. However, once you have purchased your pre-payment plan, everything specified in the plan will be provided for you without any additional costs to your family.
